

SLIPWAY, HARDSTANDING & HULL PAINTING

Email – pillingslock@btinternet.com / Tel:01 509 620900

HULL PAINTING & SLIPWAY SERVICES – waiting times can be as little as a few days as we have good availability on our slipway for all manner of services including DIY at weekends. Our modern, well designed launching trolley can cater for all manner of craft safely and quickly recovering vessels with easy all-round access when ashore. Short waiting list and excellent rates! Don't leave it too late – get your hull painted and protected

Our experts are also on-hand for Rudder & Bearing repairs, Bow-Thruster Repairs, minor welding & more!

Boat launching (DIY self-Launch) 2 hours on slipway = £50 + VAT

Slipway use per half day (up to 4 hours) £100.00 + VAT

Per full day (up to 24hrs) £160.00 + VAT

DIY Weekend offer! – Per weekend (Friday 2pm to 8.00am the following *Monday)

Up to 40ft boats = £150 + VAT (includes a high pressure wash)

Over 40ft boats = £175 + VAT (includes a high pressure wash)

Widebeams over 60ft in length = £200 + VAT (includes a high pressure wash)

***Extra day given free for Bank Holiday usage.**

Please also note that non-berth holders must pay at time of booking.

2012 Hull Painting Fees – Narrowboats £6.00 per ft plus VAT (Min Charge £250.00)

Widebeams £7.50 per ft plus VAT (Min Charge £350) We have fixed these fees at 2010 levels for yet another year – take advantage of this great deal!

Hard Standing is available with metered 240v power. Full details available from our team here at the marina – spaces subject to availability & payment required at time of booking. Fees are calculated by a Haul-out plus the amount of extra man-hours taken to chock off your craft. Estimates are available. **Weekly Hard Standing Fees & Boat Stand Rental** are available on the separate table.

GRP/Wooden Hull Anti-foul treatments available ask us for an estimate! i.e. 25ft GRP boat being Pressure washed & Anti-fouled with 2 coats of Freshwater Cruising Anti-foul is £300 inc. VAT.

Launching & Recovery – Recovery from the water & re-launching is available. We are also able to have boats lifted from transport to our launching trolley and launched. Prices ex-cranage are **£100 plus VAT** & includes 2 hours use of slipway facility. If you want your hull pressure washing please add £1.00 per foot to the launching/recovery fee. High Pressure washing is not advised for wooden hulls. Cranage is usually around £400.00 plus VAT per half day for a certified 50 ton crane but this may vary as to which contractor is available.
